**UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN JOSE DIVISION**

IN RE GOOGLE PLUS PROFILE
LITIGATION

Case No. 5:18-cv-06164-EJD (VKD)

**DECLARATION OF JENNY SHAWVER
OF ANGEION GROUP, LLC IN
SUPPORT OF MOTION FOR FINAL
APPROVAL OF CLASS ACTION
SETTLEMENT**

I, JENNY SHAWVER, hereby declare under penalty of perjury pursuant to 28 U.S.C. §1746 that the following is true and correct to the best of my knowledge:

1. I am a Project Manager with Angeion Group, LLC (“Angeion”), the Settlement Administrator retained and preliminarily approved by the Court in this matter, located at 1650 Arch Street, Suite 2210, Philadelphia, PA 19103. I am over 21 years of age and am not a party to this action. I have personal knowledge of the facts set forth herein and, if called as a witness, could and would testify competently thereto.

2. Angeion was retained by the Parties and appointed by this Court to serve as Settlement Administrator and to, among other tasks, respond to Class Member inquiries, receive and process claim forms, exclusions, and objections, and perform other duties as specified in the Class Action Settlement Agreement (“Settlement Agreement”) and Order Granting Preliminary Approval of Settlement.

3. Angeion has administered class action settlements involving millions of class members. A representative list of the settlements administered by Angeion is available at <http://www.angeiongroup.com/cases.htm>. Through the administration of the settlements referenced above, Angeion has received, processed, and secured data from defendants and other sources. Angeion has analyzed settlement class member data including performing deduplication, National Change of Address Searches (NCOA) and address verification searches (“skip traces”). Angeion has successfully implemented noticing campaigns involving direct mail notice, email notice, text noticing, print publication, and digital and social media publication for millions of potential class members. Further, Angeion has analyzed and reported on class member data obtained

1 through claim forms submitted via mail and through online claims filing, class member
2 correspondence, objections to the settlement, exclusion requests, and other means. Angeion is
3 experienced in the application of complex claim calculations and, where applicable, tax withholding
4 and reporting, as required by federal, state, and local taxing authorities, as well as in reviewing
5 settlement agreements and court orders.

6 **CAFA NOTICE TO AND RESPONSES FROM GOVERNMENT ENTITIES**

7 4. On January 6, 2020, Plaintiffs filed a motion for preliminary approval of the Class
8 Action Settlement entered into between the Parties to this action. Accordingly, pursuant to 28
9 U.S.C. 1715(b), Angeion caused CAFA Notice regarding the settlement to be sent to the Attorneys
10 General of all states and territories, as well as the Attorney General of the United States on January
11 16, 2020. As of the date of this declaration, Angeion has not received a response or objection from
12 any government agencies. This CAFA Notice was in the same form as **Exhibit A** attached hereto.

13 **DIRECT NOTICE**

14 5. Direct email notice was provided through collaboration between Angeion and
15 Google. Angeion consulted with Google and counsel for all parties on best practices for class action
16 email distribution and suggested, inter alia, email formatting conventions, an email distribution
17 timeline, and other best practices to avoid common red flags typical in legal noticing that might
18 cause the email distribution to be treated as spam or remain unopened. Between August 3 and
19 August 7, 2020, Notice of Class Action Settlement (the “Notice”) was emailed to approximately
20 161 million email addresses. Of the emails sent, 1.10% resulted in “hard bounces” and were
21 undeliverable, and 0.35% resulted in “soft bounces” that were automatically re-tried by the
22 system. Accordingly, over 98% of the emails were delivered. The multi-media notice plan
23 developed and deployed for this Settlement was robust and far-reaching, accomplishing the
24 requirements of Due Process.

25 **SETTLEMENT WEBSITE**

26 6. On June 24, 2020 Angeion established the following website devoted to this
27 Settlement: www.GooglePlusDataLitigation.com (“Settlement Website”). The Settlement Website
28 contains an online portal whereby claimants may submit a Claim Form online or download a copy
of the Claim Form to complete and submit via USPS. Requests for Exclusion and Objections may

1 also be filed online. Additionally, the Notice of Class Action Settlement, the Settlement Agreement,
 2 the Preliminary Approval Order, Plaintiffs motion for fees, costs, expenses, and service awards, and
 3 other relevant case documents are available for download through the Settlement Website. The
 4 Settlement Website also has a “Contact Us” page which provides Class Members additional ways
 5 to contact Angeion, such as by mail or email or phone, by which they may update their addresses or
 6 submit additional questions regarding the Settlement. As of October 15, 2020, the Settlement
 7 Website has received 5,472,651 website visits by 4,482,813 unique users totaling 13,154,947
 8 pageviews. A copy of the Notice and Claim Form are attached hereto as **Exhibit B**.

9 CASE SPECIFIC HOTLINE

10 7. On June 24, 2020, Angeion also established a toll-free hotline devoted to this case to
 11 further apprise Class Members of their rights and options in the Settlement: 1-833-509-1101. The
 12 toll-free hotline utilizes an interactive voice response (“IVR”) system to provide Class Members
 13 with responses to frequently asked questions and provide essential information regarding the
 14 Settlement. As of October 15, 2020, 17,221 class members called the hotline.

15 REQUESTS FOR EXCLUSIONS AND OBJECTIONS

16 8. The deadline for Class Members to request exclusion from the Settlement was
 17 October 8, 2020. As of the date of this declaration, Angeion has received 49,749 timely requests
 18 for exclusion. A list of those who requested exclusion is attached hereto as **Exhibit C**.

19 9. The deadline for Class Members to object to the Settlement was October 8, 2020.
 20 As of the date of this declaration, Angeion has received 761 objections to the Settlement. Angeion
 21 is in the process of compiling and formatting the objections, which include digital images, for
 22 purpose of forwarding to Class Counsel who will in turn submit to the Court in due course.

23 CLAIM FORM SUBMISSIONS

24 10. The deadline for Class Members to submit a Claim Form was October 8, 2020. As
 25 of the date of this declaration, Angeion has received 1,820,549 timely Claim Forms (1,371 via mail
 26 and 1,819,178 via the online portal).

REMAINING TASKS AND DISTRIBUTION

11. Angeion will continue to process and audit Claim Form submissions and reply to Class Member inquiries. Angeion will also continue to keep the Parties apprised of the number of Claim Forms received, as well as any exclusion requests or objections received.

12. Upon issuance of a Final Order from this Court and the achievement of the benchmarks set forth in the Settlement Agreement, Angeion will cause the distribution of Settlement benefits to take place in accordance with terms of the Settlement Agreement or as otherwise directed by this Court.

I hereby declare under penalty of perjury that the foregoing is true and correct.

Executed at Novato, California, this 15th day of October, 2020.

Notice of Class Action Settlement

You are not being sued. This notice affects your rights. Please read it carefully.

On June 10, 2020, the Honorable Edward J. Davila of the U.S. District Court for the Northern District of California, granted preliminary approval of this class action Settlement and directed the litigants to provide this notice about the Settlement. You have received this notice because Google's records indicate that you may be a Settlement Class Member, and you may be eligible to receive a payment from the Settlement. Please visit www.GooglePlusDataLitigation.com for more information. The Final Approval Hearing on the adequacy, reasonableness, and fairness of the Settlement will be held at 9:00 am on November 19, 2020 in San Jose Courthouse, Courtroom 4, 5th Floor located at 280 South 1st Street, San Jose, CA 95113. You are not required to attend the Final Approval Hearing, but you are welcome to do so at your own expense.

Summary of Litigation

Google operated the Google+ social media platform for consumers from June 2011 to April 2019. In 2018, Google announced that the Google+ platform had experienced software bugs between 2015 and 2018, which allowed app developers to access certain Google+ profile field information in an unintended manner. Plaintiffs Matthew Matic, Zak Harris, Charles Olson, and Eileen M. Pinkowski thereafter filed this lawsuit asserting various legal claims on behalf of a putative class of Google+ users who were allegedly harmed by the software bugs ("Class"). Google denies Plaintiffs' allegations, denies any wrongdoing and any liability whatsoever, and believes that no Class Members, including the Plaintiffs, have sustained any damages or injuries due to the software bugs.

Summary of Settlement Terms

Settlement Fund: Under the Settlement, Google will pay \$7.5 million which will be used to fund: (1) Class Member Settlement payments; (2) attorneys' fees not to exceed 25% of the Settlement Fund and costs and expenses not to exceed \$200,000.00; (3) four service awards to the Class Representatives in an amount not to exceed \$1,500 each for their services on behalf of the Settlement Class and for a general release of all claims they may have against Google; (4) administration fees and costs; and, if necessary, (5) cy pres distribution of any residual funds. No portion of the Settlement Fund can be returned to Google.

Amount of Payments: Class Members who submit a Valid Claim may receive a pro rata share of the Net Settlement Fund up to a cash payment of \$12.00 depending on the number of claimants. Each Class Member can submit only one claim. Any funds remaining in the Net Settlement Fund after distribution(s) to Class Members will be distributed to Cy Pres Recipients that have been selected by a neutral third party and approved by the Court.

Method of Payment: The payments above for Class Members who submit a Valid Claim will be made by Electronic Payment (Paypal or Digital Check).

Your Options Under the Settlement

Option 1 - Submit a Claim Form to Be Eligible for a Cash Payment

If you submit a Valid Claim by [October 8, 2020], you may receive a payment. You will also give up your rights to sue Google and/or any other released entities regarding the legal claims in this case.

Option 2 - Opt Out of the Settlement

This is the only option that allows you to sue Google and/or other released parties on your own regarding the legal claims in this case. You will not receive a payment from the Settlement. The deadline for excluding yourself is [October 8, 2020].

Option 3 - File an Objection with the Court

Write to the Settlement Administrator about why you do not like the Settlement. The deadline for objecting is [October 8, 2020]. These Objections will be shared with the Court. If you object to the Settlement, you will be bound by the Settlement's terms and will not be allowed to exclude yourself from the Settlement; you will lose the right to sue Google and/or any other released entities regarding the legal claims in this case.

Option 4 - Do Nothing

If you do nothing, you will not receive any payment. You will be bound by the Settlement's terms and will lose the right to sue Google and/or any other released entities regarding the legal claims in this case.

Additional Information

How do I know if I am part of the Settlement Class?

The Settlement Class is defined as: "all persons within the United States who (a) had a consumer Google+ account for any period of time between January 1, 2015 and April 2, 2019, and (2) had their non-public Profile Information exposed as a result of the software bugs Google announced on October 8, 2018 and December 10, 2018. Excluded from the Settlement Class are (a) Google and its officers, directors, employees, subsidiaries, and Google Affiliates; (b) all judges and their staffs assigned to this case and any members of their immediate families; (c) the Parties' counsel in this litigation; and (d) any Excluded Class Member."

What are the terms of the Settlement?

Under the Settlement, Google has agreed to create a Settlement Fund of \$7,500,000. This Settlement Fund will provide compensation to Settlement Class Members, pay for notice and administration costs, provide for any approved Service Awards to the Class Representatives who filed the case, and compensate the attorneys for any approved fee, cost, and expense awards. If the Settlement is finally approved, Settlement Class Members will be prevented from bringing any further claims against Google for any conduct relating to the software bugs affecting Google+ profile fields.

How will the Settlement Fund be distributed?

The lawyers for the Settlement Class ("Class Counsel") will ask the Court to approve the following payments from the Settlement Fund:

- The costs of providing notice and administration of the Settlement;
- Service Awards to each of the Class Representatives, not to exceed \$1,500 each, as compensation for their active participation in the case on behalf of the Settlement Class;
- Class Counsel's compensation for the time and effort incurred litigating the case, which will not exceed 25% of the Settlement Fund, and costs and expenses they incurred not to exceed \$200,000.00;
- Payments to Settlement Class Members who file timely and Valid Claim Forms according to the Plan of Allocation outlined below; and
- Any residual funds remaining after payments to Settlement Class Members will be distributed to Approved Cy Pres Recipients as approved and directed by the Court.

More information regarding the Settlement, including the Settlement Agreement, can be found at the Settlement Website, www.GooglePlusDataLitigation.com.

How can I get a Settlement Payment?

If you are a Settlement Class Member and would like to receive a Settlement Payment, you must submit a Claim Form no later than [date].

You may complete the Claim Form online at www.GooglePlusDataLitigation.com, or you may mail your Claim Form to the following address:

Google Plus Data Litigation, 1650 Arch Street, Suite 2210, Philadelphia, PA, 19103

If you do not file a Claim Form, you will not receive a payment. Note that for each Valid Claim, the payment method will be the Electronic Payment method specified on the Claimant's Claim Form.

How much will I receive from the Settlement?

The Plan of Allocation provides for Settlement Payments to Claimants as follows: The Net Settlement Fund shall be allocated to Claimants on a pro rata basis up to an initial maximum distribution of US\$5.00 per Claimant. If there are insufficient funds to pay claimants \$5.00 based on the number of claimants, the payment to each claimant will be reduced pro ratably. If sufficient funds remain after calculation of the aggregate initial maximum distribution of US\$5.00 per Claimant, the allocation shall be recalculated on a pro rata basis up to a maximum distribution of up to US\$12.00 per Claimant. For clarity, the maximum Settlement Payment to be made to any single Claimant shall not exceed US\$12.00.

How do I get out of the Settlement?

If you do not want to be part of the Settlement, you must submit an Opt-Out Form no later than [date]. You may obtain the Opt-Out Form at www.GooglePlusDataLitigation.com. Your completed Opt-Out Form may be submitted via e-mail to Info@GooglePlusDataLitigation.com, or via postal mail to the following address:

Google Plus Data Litigation, Attn: Opt-Out Requests, P.O. Box 58220, Philadelphia, PA, 19102.

If you opt-out of the Settlement, you will not be bound by the Settlement Agreement, you will not receive a Settlement Payment, and you will not be allowed to object to the Settlement.

Do I have a lawyer in this case?

Yes. The Court has appointed Class Counsel to represent you and other Settlement Class Members. In this case, Class Counsel are John A. Yanchunis and Ryan J. McGee of the law firm Morgan & Morgan Complex Litigation Group; Clayeo C. Arnold and Joshua H. Watson of the law firm Clayeo C. Arnold Professional Law Corporation; and Franklin D. Azar and Margeaux R. Azar of the law firm Franklin D. Azar & Associates, P.C. You will not be charged for these lawyers. If you want to be represented by another lawyer, you may hire one at your own expense.

How will the lawyers be paid?

The attorneys representing the Settlement Class have not yet received any payment for their legal services or any reimbursement of the costs or out-of-pocket expenses they have incurred. Class Counsel plans to ask the Court to award attorneys' fees from the Settlement Fund not to exceed \$1,875,000 which is 25% of the Settlement Fund, and reimbursement of costs and expenses in the approximate amount of \$200,000.

How do I object to the Settlement?

If you are a Settlement Class Member and do not opt out of the Settlement Class, you may object

to any aspect of the Settlement. This includes commenting on the applications for Class Representative Service Awards or the award of attorneys' fees, costs, and expenses. Your completed Objection must be submitted no later than October 8, 2020 online at www.GooglePlusDataLitigation.com, or via postal mail to the following address:

Google Plus Data Litigation, Attn: Settlement Objections, P.O. Box 58220, Philadelphia, PA, 19102.

- (d) State whether the objection applies only to the objector, to a specific subset of the Class, or to the entire Class, and also state with specificity the grounds for the Objection; and
- (e) Be verified by an accompanying declaration submitted under penalty of perjury or a sworn affidavit.

Settlement Class Members who fail to submit timely written Objections in the manner specified above will waive their right to object to any aspect of the Settlement.

Do I need to attend the Final Fairness Hearing?

No. Class Counsel will answer any questions the Court may have. However, any Settlement Class Member who timely submits an Objection has the option to appear and request to be heard at the Final Fairness Hearing, either in person or through their counsel. If you choose to make an Objection through an attorney or have an attorney appear at the Final Fairness Hearing on your behalf, you will be solely responsible for paying that attorney's fees.
